## SUBMITTED RESOLUTIONS

## SENATE RESOLUTION 334—MEMORIALIZING THOSE IMPACTED BY AND LOST TO THE COVID-19 VIRUS

Ms. WARREN (for herself, Mr. MARKEY, and Mr. HEINRICH) submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions:

## S. RES. 334

Whereas the first Monday in March is an appropriate day to be recognized as “COVID-19 Victims and Survivors Memorial Day”;

Whereas COVID-19 (SARS-CoV-2), a novel coronavirus, is a deadly illness caused by a virus that can transmit from person to person;

Whereas, in 2020, COVID-19 began to spread throughout the world, creating a global pandemic that has had a catastrophic impact on human life, communities in the United States, and the United States economy;

Whereas, in March 2020, communities in every State began to experience increased loss of life and families lost fathers, mothers, brothers, sisters, sons, daughters, and neighbors from the virus;

Whereas, beginning in 2020, many across the United States were, and continue to be, personally impacted by COVID-19, including mourning their loved ones and neighbors or suffering from the unknown long-term health implications of the virus;

Whereas, by the end of July 2021, there had been more than 34,733,631 known cases of the virus in the United States and more than 600,000 people tragically lost their lives;

Whereas COVID-19 has had a disproportionate impact on low-income communities and communities of color, with higher rates of infection and death, exacerbating inequities already prevalent in our systems that must addressed throughout the United States;

Whereas public servants, frontline and essential workers, and health care professionals took selfless actions to protect their neighbors and communities, support struggling local economies, and find innovative ways to provide services;

Whereas local, State, Tribal, and Federal Government entities provided critical support to businesses, communities, and the people of the United States in need;

Whereas the COVID-19 pandemic continues to have an impact on the United States and countries around the world; and

Whereas each life lost to COVID-19, each inequity and broken system brought to light, and each sacrifice made shall never be forgotten: Now, therefore, be it

*Resolved*, That the Senate—

(1) will memorialize those lost to the COVID-19 virus;

(2) recognizes the suffering of those who contracted the COVID-19 virus and survived but carry with them the unknown health side effects; and

(3) expresses support for the designation of the first Monday in March as “COVID-19 Victims and Survivors Memorial Day”.

## S. RES. 335

Whereas lobstering has served as an economic engine and family tradition in the United States for centuries;

Whereas thousands of families in the United States make their livelihoods from catching, processing, or serving lobsters;

Whereas the lobster industry employs people of all ages year-round, and many harvesters begin fishing as children and stay in the industry for their entire working lives;

Whereas historical lore notes that lobster likely joined turkey on the table at the very first Thanksgiving feast in 1621, and lobster continues to be a mainstay during many other holiday traditions;

Whereas responsible resource management practices beginning in the 1600s have created one of the most sustainable fisheries in the world;

Whereas, throughout history, Presidents of the United States have served lobster at their inaugural celebrations and state dinners with international leaders;

Whereas lobster is a versatile source of lean protein that is low in saturated fat and high in vitamin B12;

Whereas lobster is enjoyed across meals and in recent years has become a popular breakfast offering;

Whereas lobster is continually incorporated into trending recipes such as pho, gnocchi, doughnuts, cocktails, and ice cream;

Whereas the peak of the lobstering season in the United States occurs in late summer;

Whereas harvesters, dealers, processors, and cooks adapted and innovated during the COVID-19 pandemic to help people enjoy their favorite lobster dishes and discover new ones in the comfort of their homes;
